Coverage will continue as long as Your Child remains disabled, unless coverage terminates for any other reason outlined in the "Termination of Employee Insurance" section. To keep this coverage in force, We may require proof at Our expense of Your Child's continued Disability including proof that Your disabled Child is:

1. incapable of self-sustaining employment; and
2. primarily dependent on You for support and maintenance.

We may request continuous proof of Your Child's disability, but will not request this information more than 1 time(s) a year.

If at the end of the continuation period Your Child is no longer eligible for insurance under this Certificate, the "Conversion Privilege" provision of this Certificate shall describe Your Child's right to convert.

WAIVER OF PREMIUM

If Total Disability has continued for 6 consecutive months, Premium payments under this Policy will be waived for any coverage period after the first day of the month following the date You are Disabled under this Policy provided:

1. You are insured under this Plan and are Actively at Work on or after the Effective Date of the Plan; and
2. Your Total Disability begins before age 60; and
3. Premium payments have continued; and
4. You provide Us with proof of Total Disability as required; and
5. You are still Totally Disabled when You submit the proof of Disability.

Dependent Premiums will only be waived if Employee Premiums are waived.

AMOUNT OF LIFE INSURANCE

The amount of life insurance continued will be the amount in force on the date You became Totally Disabled. This amount will be reduced or terminated based on the Schedule of Insurance in effect on the date of Total Disability. This amount will not be increased while You remain Totally Disabled.

If You are still eligible for life insurance when You return to Active Work, Your life insurance may be continued in force if Premium payments are resumed. If this is done, any increased amount of life insurance You may then be eligible for will take effect as described in the Effective Date of Insurance provision.

Premiums that have been waived will not be deducted from the Covered Person's death benefit.

DEFINITION OF TOTAL DISABILITY

For the purposes of Waiver of Premium, **Total Disability or Totally Disabled** means that You are under the Regular Care of a Physician, and prevented by Injury or Sickness from performing the Material Duties of any Gainful Occupation.

Gainful Occupation means any employment that exists in the national economy that You may be expected to follow based on Your education, training, experience, age, and physical and mental capacity, and from which You are expected to earn at least 60% of your pre-disability earnings within 12 months of Your return to Active Work.

PROOF OF TOTAL DISABILITY

Once You notify Us of Your loss, We will provide You with forms to use when giving Us Proof of Claim. (See "Proof of Claim" under the Claim Provisions.) You must give Us proof no later than 12 months after the date You became Totally Disabled. Failure to provide required proof of disability within this time frame will not invalidate or reduce any payable claim if it was not reasonably possible to provide the required proof.

We will notify You in Writing if Your Claim is approved and the amount of Premium that is being waived.

We may at any time require proof that Total Disability continues. If required, You must give Us proof of continuing Disability within 60 days after Our request. After You have been Totally Disabled for more than 2 years from the date of Total Disability, We will not request proof more than once every six months, based on changes in Your diagnosed condition. We may require that You be examined at Our expense by a Physician of Our choice.

DEATH WHILE TOTALLY DISABLED

If You die while Your life insurance is being continued under this provision, We will pay the amount of insurance if We receive proof:

1. of Your death; and

2. that Total Disability was continuous from the date it began to the date of death.

TERMINATION OF EMPLOYEE WAIVER OF PREMIUM

Your waiver of Premium benefit will end on the earliest of:

1. the date You attain age 65;
2. the last day of the 90 day period following Our request for proof of Total Disability, if You do not give Us proof or You refuse to take a medical exam;
3. the date You return to Active Work.

If Your life insurance terminates while You are covered under this provision, You will be eligible to convert that coverage as of the termination date. You may convert no more than the amount of term life insurance that was in force on You on that date. (See "Conversion Privilege" section.)

TERMINATION OF DEPENDENT WAIVER OF PREMIUM

Your covered Dependent will no longer be eligible for Waiver of Premium on the earliest of the following dates:

1. the date the Dependent ceases to be a Dependent as defined in the Definition section;
2. the date You cease to be eligible for coverage under the Waiver of Premium provision;
or
3. 12 months from the date Your Total Disability began.

If You return to Active Work, You may continue Your Dependent coverage if Premium payments are resumed. Any increased amount of Dependent life insurance the Dependent may then be eligible for will take effect as described in the Effective Date of Dependent Insurance provision.

If a Dependent's insurance terminates while You are Totally Disabled, the Dependent will be eligible to convert that coverage as of the termination date. The Dependent may convert no more than the amount of Dependent life insurance that was in force on that date. (See "Conversion Privilege" section.)

Any Leave of Absence, Layoff, Military Leave or Family or Medical Leave from Active Work must be approved in advance and in Writing by Your Employer.

CONTINUATION DURING LAYOFF OR LEAVE OF ABSENCE

Your and Your Dependent coverage may be continued by Your Employer through the end of the 6th month following the month in which Your Layoff or Leave of Absence begins.

The Premium for Your and Your Dependent coverage must be paid during Your Layoff or Leave of Absence.

Your and Your Dependent coverage will terminate on the date on which the Policy terminates, the end of the Continuation period, or the last day for which any required Premium has not been paid.

All other terms and conditions of the Policy will remain in force during this continuation period.

CONTINUATION DURING TOTAL DISABILITY

Your and Your Dependent coverage may be continued under this provision through the end of the 12th month following the month in which Your Disability begins.

The Premium for Your and Your Dependent's coverage must be paid during Your Total Disability by You or Your Employer on the same basis as Premium was paid on the day before Your Total Disability began.

Your and Your Dependent coverage will terminate on the earlier of the date the Policy terminates, the end of the Continuation period, or the last day for which any required Premium has not been paid.

For purposes of this provision “**Total Disability**” means that due to an Injury or Sickness You are unable to perform the Material Duties of Your regular Job and are unable to perform any other Job for which You are fit by education, training or experience.

If You or Your Dependent die while coverage is continued under this provision, We will pay the life insurance benefit to the Beneficiary upon receipt of the required Proof of Loss that establishes that You or Your Dependent died during this continuation period.

If, at the end of the continuation period, You or Your Dependents are no longer eligible for insurance under the Policy, see the “Conversion Privilege” section for Your conversion rights.

All other terms and conditions of the Policy will remain in force during this continuation period.

CONTINUATION DURING FAMILY OR MEDICAL LEAVE

If You are on a leave mandated by the Family and Medical Leave Act ("FMLA") or other applicable state law, Your and Your Dependent coverage will be governed by the Employer's policy regarding Family and Medical Leaves of Absence.

Your and Your Dependent coverage will terminate the earlier of the date the Policy terminates, the end of the Continuation period, or the last day for which any required Premium has not been paid.

Your and Your Dependent coverage during Your Employer approved leave may continue for up to the greater of:

1. The leave period required by the federal Family and Medical Leave Act of 1993, as amended; or
2. The leave period required by applicable state law.

The Premium for Your and Your Dependent coverage must be paid during Your Family or Medical Leave.

All other terms and conditions of the Policy will remain in force during this continuation period.

CONTINUATION DURING MILITARY LEAVE

If You are on a Leave of Absence for active Military Service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) or applicable state law, Your and Your Dependent coverage may be continued for the longer of:

1. The length of time the coverage may be continued under applicable federal or state law; or
2. The length of time the coverage may be continued under the Policy for a Leave of Absence.

The Premium for Your coverage must be paid during the Military Leave.

Your and Your Dependent continued coverage will terminate on the date on which the Policy terminates, the end of the Continuation period, or the last day for which any required Premium has not been paid.

The Policy does not cover any loss which occurs while on active duty in the Military Service if such loss is caused by or arises out of such Military Service, including but not limited to War or act of War (whether declared or undeclared). Benefits are also subject to any other Exclusions and Limitations under the Policy.

All other terms and conditions of the Policy will remain in force during this continuation period.

REINSTATEMENT

REINSTATEMENT FOLLOWING LOSS OF ELIGIBILITY

If Your and Your Dependent coverage ends because You are no longer eligible for coverage and You again become eligible or return to an Eligible Class within 12 month(s) from the date Your coverage ended, Your and Your Dependent coverage may be reinstated if reinstatement is requested within 30 day(s) from the date You again become eligible for coverage or returned to an Eligible Class.

Your and Your Dependent coverage will be effective on the date You again become eligible for coverage.

All other terms and conditions of the Policy will apply.

EMPLOYEE LIFE INSURANCE

This section applies to Group Term Life coverage.

EMPLOYEE DEATH BENEFIT

If You die while covered under the Policy, We will pay the amount of life insurance in force on the day of Your death to Your named Beneficiary once We receive Written notice and Proof of Loss, in accordance with the General and Claims provisions of this Certificate.

DEPENDENT LIFE INSURANCE

This section applies to Dependent Life coverage.

DEPENDENT DEATH BENEFIT

If a covered Dependent dies while insured under this Policy, We will pay You the amount of Dependent life insurance in force on the day of Your Dependent's death after We receive Proof of Loss and in accordance with the General and Claims provisions of this Certificate.

ACCELERATED DEATH BENEFIT

This provision applies to Your Group Life and Dependent Life Benefit.

For Basic Group Term Life, You are the only Covered Person and payments are made to You.

ACCELERATED DEATH BENEFIT

The Accelerated Death Benefit is a one-time, lump sum payment of a portion of a Covered Person's Life benefit if the Covered Person:

1. Is Terminally Ill; and
2. Elects to receive the Accelerated Death Benefit, subject to the maximum benefit amount stated on the Schedule of Insurance.

ACCELERATED DEATH BENEFIT ELIGIBILITY

A Covered Person is eligible for the Accelerated Death Benefit if he or she:

1. Becomes and remains insured for life insurance under the Policy;
2. Is under age 70;
3. Is insured for a minimum of \$10,000 of life insurance under the Policy; and
4. Provides satisfactory proof of Terminal Illness.

If the Covered Person is incompetent or unable to request the Accelerated Death Benefit, his or her legal guardian may submit the request.

COST OF PROVIDING ACCELERATED DEATH BENEFIT

There are no additional costs associated with the Accelerated Death Benefit.

ACCELERATED DEATH BENEFIT AMOUNT

The maximum Accelerated Death Benefit available is the lesser of:

1. 50% of the Covered Person's life insurance amount; or
2. \$25,000.

If the Covered Person's life insurance amount is scheduled for a reduction within 12 months after the date of the requested payment of this benefit, the maximum accelerated benefit will be based on the reduced amount.

The accelerated death benefit will be paid immediately upon receipt of due Written proof of the Covered Person's eligibility for this benefit.

ACCELERATED DEATH BENEFIT CONDITIONS AND REQUIREMENTS

Proof of the Covered Person's Terminal Illness must be certified by a licensed Physician and in a form that is satisfactory to Us. Any delay in submitting this proof will not cause the request to be denied until the required proof is provided.

We may require the Covered Person to be examined by a licensed Physician of Our choice and at Our expense. If there is a disagreement between the two Physicians, We may require the Covered Person to be examined by a third licensed Physician of Our choice and at Our expense. The decision of the third Physician will be final.

If the Covered Person does not submit proof of Terminal Illness satisfactory to Us or refuses to be examined by a Physician, We will not pay the Accelerated Death Benefit.

If death occurs before the accelerated benefit is paid, We will not pay the accelerated benefit. Instead, We will pay the Covered Person's benefit according to the general terms of the Certificate.

EFFECT OF ACCELERATED BENEFIT ON OTHER POLICY PROVISIONS

A Covered Person's amount of life insurance will be reduced by the amount of any accelerated benefit paid with respect to that Covered Person. This includes:

1. the amount of life benefit payable to Your Beneficiary when the You die;
2. the amount of life benefit payable to You when Your Dependent dies;
3. the amount of life insurance each Covered Person can convert under the Policy; and
4. the Premiums payable for each Covered Person's life insurance benefit under the Policy after an accelerated benefit is paid, if such Premiums are not waived.

If any accelerated benefit is paid, We will provide a Disclosure for Accelerated Death Benefit to You, any assignee or irrevocable Beneficiary of record showing the effect of the acceleration on the death benefit and Premium payments. This disclosure will show any Premium necessary to continue any remaining coverage. This disclosure will also advise You of any tax consequences.

The acceleration of part of Your life insurance benefit will not impact other Dependent coverage under this Certificate, even if Dependent coverage is based on a percentage of Your life insurance benefit.

The acceleration of part of Your Dependent's coverage under this Certificate will not impact the amount of Your coverage.

The acceleration of all of Your life insurance benefit will terminate the life insurance benefit under the group Certificate. Termination of Your coverage will not adversely affect the continuation and conversion rights available under the Certificate to other Covered Persons.

TAX CONSEQUENCES ASSOCIATED WITH ACCELERATED BENEFIT PAYMENT

The receipt of an accelerated benefit may be taxable. You should consult Your personal tax advisor if this benefit is paid to You or Your Dependent.

The receipt of accelerated benefit payments may also adversely affect the Covered Person's eligibility for Medicaid or other government benefits or entitlements.

IMPACT OF TERMINAL ILLNESS RECOVERY

If You or Your Dependent are diagnosed by a Physician as being no longer Terminally Ill and You are in an Eligible Class Your coverage will remain in force, provided Premium is paid.

If You or Your Dependents are diagnosed by a Physician as being no longer Terminally Ill and You are not in an Eligible Class, but You or Your Dependent continue to be disabled:

1. Your coverage will remain in force, subject to the Waiver of Premium provision; or
2. Your and Your Dependent coverage will end and You and Your Dependent may be eligible to convert coverage to an individual whole life Policy so long as coverage is converted within the time limits described in the "Conversion Privilege" section.

The amount of coverage eligible for Conversion will be reduced by the amount of the Accelerated Death Benefit already paid.

ACCELERATED BENEFIT LIMITATIONS AND EXCLUSIONS

We will not pay an accelerated benefit if:

1. An absolute assignment of life insurance is made under the Policy, unless We receive Written consent from the assignee.
2. All or part of the Covered Person's life insurance under the Policy is to be paid to Children or former Spouse as part of a court approved separation or divorce agreement.

5. The Covered Person is required by law to accelerate benefits to meet the claims of creditors; or a government agency requires the Covered Person to apply for benefits to qualify for a government benefit or entitlement.
6. The Terminal Illness is directly or indirectly caused by War or any act of War, insurrection, rebellion, or Riot or while in active Military Service of any country, group of countries, governments or international authority. We will refund the pro rata portion of any Premium paid for Your Dependent's insurance while in the armed forces on full-time active duty for a period of two months or more. Written notice must be provided within 3 months of the date the Dependent entered the armed forces.
7. The Terminal Illness is directly or indirectly caused by the Covered Person's voluntary commission of, or attempting to commit, an assault or a felony or other criminal act; or participating in an illegal Occupation.
8. The Covered Person's Terminal Illness is directly or indirectly caused by the Covered Person's voluntary use of any drugs including, but not limited to, sedatives, hallucinogens, barbiturates, amphetamines, narcotics or any other controlled substance unless taken as prescribed by a Physician or an "over the counter" drug, medication or sedative taken as directed or

SUBROGATION AND RIGHT OF REIMBURSEMENT

The Plan assumes and is subrogated to Your legal rights to recover any payments the Plan makes for benefits, when a covered Sickness or Injury resulted from the action or fault of a third party. The Plan's subrogation rights include the right to recover the amount of benefits paid to You.

The Plan has the right to recover any and all amounts equal to the Plan's payments from:

1. the insurance of the injured party;
2. the person, company (or combination thereof) that caused the Sickness or Injury, or any insurance company; or
3. any other source, including disability benefit coverage.

This right of recovery under this provision will apply whether recovery was obtained by suit, settlement, mediation, arbitration, or otherwise. The Plan's recovery will not be reduced by Your negligence, nor by attorney fees and costs You incur.

Priority Right of Reimbursement

Separate and apart from the Plan's right of subrogation, the Plan shall have first lien and right to reimbursement. This priority right of reimbursement supersedes Your right to be made whole from any recovery, whether full or partial. You agree to reimburse the Plan 100% first for any and all benefits provided through the Plan, and for any costs of recovering such amounts from those third parties from any and all amounts recovered through:

1. any settlement, mediation, arbitration, judgment, suit, or otherwise, or settlement from Your own insurance and/or from the third party (or their insurance);
2. any auto or recreational vehicle insurance coverage or benefits including, but not limited to disability benefit coverage; and

3. business and homeowner disability insurance coverage or payments.

The Plan may notify those parties of its lien and right to reimbursement without notice to or consent from any Covered Person.

This priority right of reimbursement will not be reduced by attorney fees and costs You incur.

The Plan may enforce its rights of subrogation and recovery against, without limitation, any tortfeasors, other responsible third parties or against available disability insurance coverages. Such actions may be based in tort, contract or other cause of action to the fullest extent permitted by law.

Notice and Cooperation

You are required to notify Us promptly if You are involved in an incident that gives rise to such subrogation rights and/or priority right of reimbursement, to enable Us to protect the Plan's rights under this section. You must cooperate with Us and execute any documents that We, acting on behalf of the Policyholder, deem necessary to protect the Plan's rights under this section.

You may not do anything to hinder, delay, impede or jeopardize the Plan's subrogation rights and/or priority right of reimbursement. Failure to cooperate or to comply with this provision shall entitle the Plan to withhold any and all benefits due You under the Plan. This is in addition to any and all other rights that the Plan has pursuant to the provisions of the Plan's subrogation rights and/or priority right of reimbursement.

If the Plan has to file suit, or otherwise litigate to enforce its subrogation rights and/or priority right of reimbursement, You are responsible for paying any and all costs, including attorneys' fees, the Plan incurs in addition to the amounts recovered through the subrogation rights and/or priority right of reimbursement.

Legal Action and Costs

If a Covered Person settles any claim or action against any third party, that Covered Person shall be deemed to have been made whole by the settlement and the Plan shall be entitled to collect the present value of its rights as the first priority claim from the settlement fund immediately. The Covered Person shall hold any such proceeds of settlement or judgment in trust for the benefit of the Plan. The Plan shall also be entitled to recover reasonable attorneys' fees incurred in collecting proceeds held by the Covered Person in such circumstances.

The Plan also has the right to sue on the Covered Person's behalf, against any person or entity considered responsible for any condition resulting in benefits paid or to be paid by the Plan.

Settlement or Other Compromise

The Covered Person must notify the Plan prior to settlement, resolution, court approval, or anything that may hinder, delay, impede or jeopardize the Plan's rights so that the Plan may be present and protect its subrogation rights and/or priority right of reimbursement.

The Plan's subrogation rights and priority right of reimbursement attach to any funds held, and do not create personal liability against the Covered Person.

The right of subrogation and the right of reimbursement are based on the Plan language in effect at the time of judgment, payment, or settlement.

The Plan, or its representative, may enforce the subrogation and priority right of reimbursement.

There are no additional costs associated with providing the Accelerated Death Benefit.

Amount of Accelerated Benefit

The accelerated benefit will be paid only once and in one lump sum to you. The maximum accelerated benefit will be the lesser of:

1. 50% of your life insurance amount; or
2. \$25,000.

If your life insurance amount is scheduled for a reduction within 12 months after the date you request the payment of the accelerated benefit, the maximum accelerated benefit will be based on the reduced amount.

Effect of Payment of an Accelerated Benefit Payment on Other Policy Provisions

A Covered Person’s amount of life insurance under the Policy will be reduced by the amount of any accelerated benefit paid with respect to that Covered Person. This Includes:

1. the amount of life benefit payable to Your Beneficiary when you die;
2. the amount of life benefit payable to You when Your Dependent dies;
3. the amount of life insurance each Covered Person can convert under the Policy; and
4. the premiums payable for each Covered Person’s life insurance under the Policy after an accelerated benefit is paid to You, if such premiums are not waived.

**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE NORTH CAROLINA
LIFE AND HEALTH INSURANCE GUARANTY
ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted *in the box* below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, or by an insurance exchange.
- They acquired rights to receive payments through a structured settlement factoring transaction.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy for a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under a policy or contract.
- (2) Except as provided in (3) (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
