DO-IT-YOURSELF ENROLLMENT

This option walks you through important information and benefits about your plan, in addition to selecting your contribution savings rate and investment elections.

Click **LET'S GET STARTED** to step through all the choices for your plan:

1. **Plan Highlights** – see what your plan offers, such as eligibility, contributions, vesting schedule, withdrawals, and loans
2. **Set your savings rate** – choose the percentage of pay you'd like to contribute to your plan
3. **Select your investments** – leave the default investment as-is or make changes for future investments
4. **Complete your beneficiary designation** – select one or more beneficiaries for your retirement account
5. **Confirmation** – review the savings rate and investment options you chose

Upon completing online enrollment, you will be directed back to your dashboard where you can update your selections and review your account balance, transactions, statements, and more.
